Our church has partnered with Love And Grace Ministry working in Haiti to support their everyday mission to reach generations for Christ. Center Point FBC is currently sponsoring a little girl named Chinaylove Genord, but there are still well over 400+ children in need of sponsoring!! It's only \$30 a month (the entire \$30 goes to support your child) which supplies a child food, clothing and any other needs. Dedra Key lives and works in Haiti traveling back and forth to the Dominican Republic for supplies and funding. She is a true missionary literally giving & serving everyday to reach the Haitians for Christ.
